

Building Character Through Adventure

CAMP CELTIC

What is Camp Celtic?

Celtic is a sports, arts and nature facility located near the village of Lion's Head on the rugged Bruce Peninsula. During the summer months, hundreds of young people 7-18 attend our camp sessions where they receive instruction from some of the best professionals in the country. Campers enjoy a healthy, caring and exciting camp atmosphere where good friends, good times and good fellowship abound.

Director's Message

A cup of adventure, a dash of excitement, a bushel of fun, a heaping portion of being outdoors, a pinch of apprehension ... this could be part of the recipe that has made camp great for such a long time!

I don't know the exact proportions for this recipe, (and probably the mixture is different for every Camper who attends Celtic), but I do know the ingredient list by heart. Along with the above, it includes caring, sharing, awareness, learning, growth, compassion, being away from home, singing, laughter, and sometimes...silence.

Camp has long been a place where fun and fellowship abound, and where campers learn about themselves and the natural world. It has withstood the test of time.

Who knew that Camp would become even more relevant as we move forward into the 2nd generation of our family's Directorship of Celtic? It is now apparent that Celtic provides campers a respite from too much technology, not enough fresh air. Celtic is a place where we see the stars at night, the sun rise in the morning, and where we remember what it is to run and swim and play. As a parent, I find these are the things that I wish for my child.

Our promise then remains...To provide Celtic campers with the very best camp experience possible.

Celtic Faculty and Staff

Celtic's instruction and counselling staff are selected for their leadership ability, skills, and experience.

Our programme directors bring a wealth of provincial and national recognition in their fields. Pre-camp training for counseling staff deals with common camper issues, especially for younger and first time campers.

We place great emphasis on our staff's ability to set good examples, and to become close friends and mentors to the campers entrusted to their care.

Our nursing staff works closely with in-cabin counselors to ensure the utmost in camper care and safety. We have a doctor on call at the Lions Head Hospital which is five miles from camp.

Celtic Standards

As a fully accredited Member of the Ontario Camping Association, Celtic maintains the highest standards of safety, leadership, food, and sanitation.

Regular visits and approval by the Ministry of Health confirm that our kitchen, washroom, water source, and sleeping areas meet with strict provincial regulations. Further, our programme is recognized or approved by the following organizations:

- Ontario Camping Association
- Red Cross Society
- Canadian Camping Association
- Ontario Volleyball Association

You will be a better player!

By teaching individual skills and team concepts in the focused atmosphere of a residential camp, we ensure that athletes return to their school or club as stronger players.

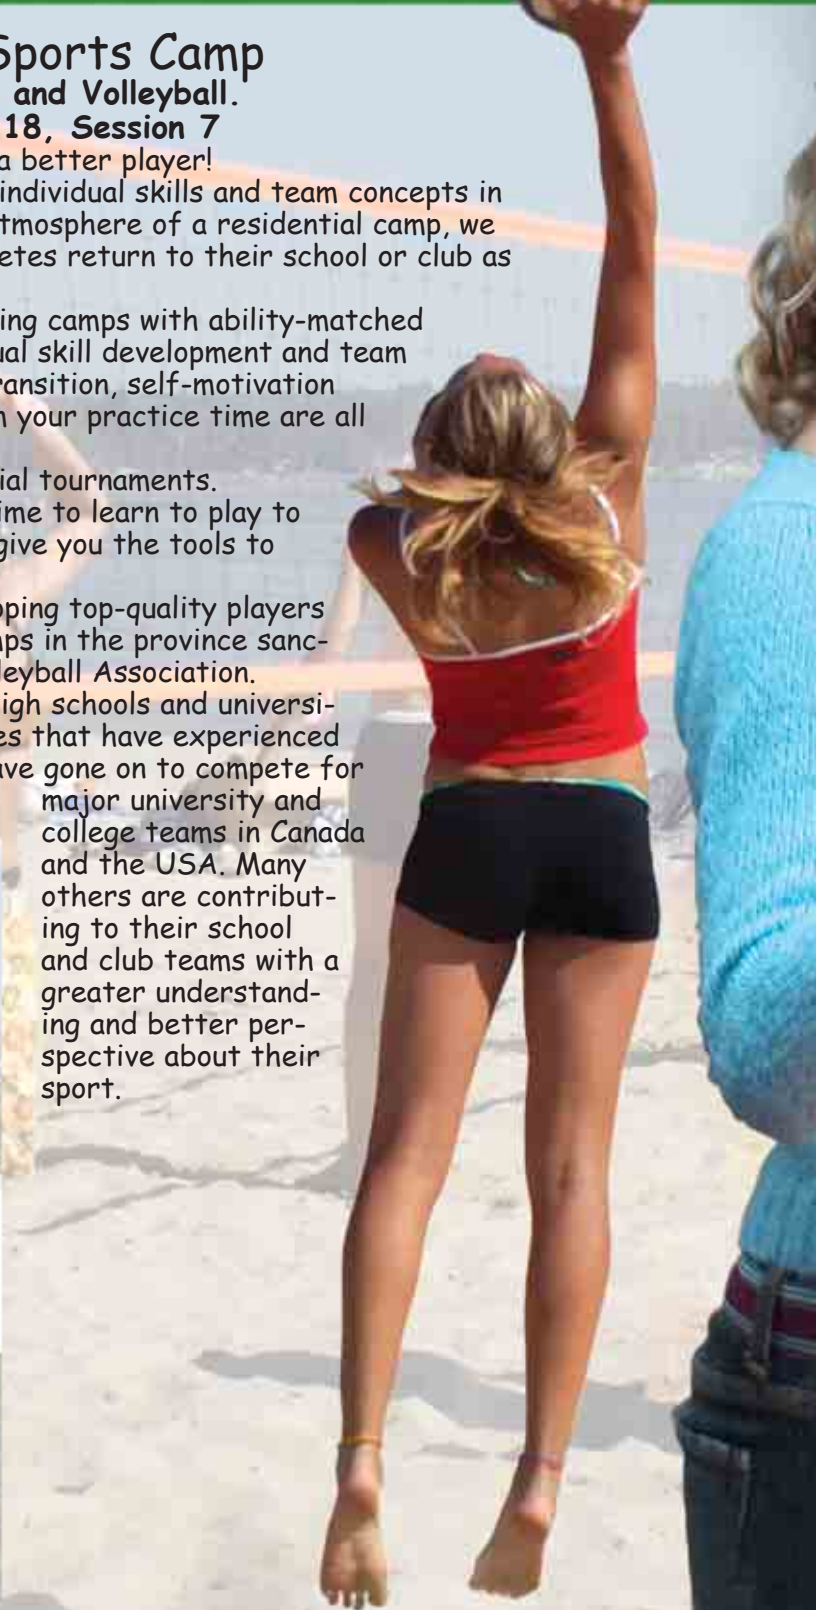

These are intensive teaching camps with ability-matched groups to enhance individual skill development and team play. Offence, defence, transition, self-motivation and getting the most from your practice time are all aspects taught at Celtic.

Plus! League play and special tournaments.

These sports take some time to learn to play to your potential. Celtic will give you the tools to make that happen.

Celtic is a leader in developing top-quality players and is one of only two camps in the province sanctioned by the Ontario Volleyball Association.

Top notch coaches from high schools and universities attend Celtic. Athletes that have experienced the Celtic Sports Camp have gone on to compete for major university and college teams in Canada and the USA. Many others are contributing to their school and club teams with a greater understanding and better perspective about their sport.

Leadership

The Celtic Leadership programme allows participants to both study and develop their leadership skills. Two Leadership Directors, chosen from Celtic's most senior staff, work closely with groups of Leaders in Training (LIT's). Emphasis is placed on group processes, training, coaching skills, and evaluation of self and process. This is very much a participative camp - LIT's will get out of it what they put into it!

LIT's are immersed in traditional camp activities such as camp games, song leading, campfires, talent shows, out-tripping, story telling, and more. Successful LIT's can be expected to show a marked increase in self-confidence during leadership, coaching, and training situations. In addition, they learn of their ability to uniquely contribute to group processes through routinely examining and assessing themselves, others, and the group.

Skills, attitude, and knowledge learned here can be applied at school, camp, and in sports environments. Each LIT receives a written evaluation at the close of camp, and in the case of sponsored LIT's, a copy is mailed to the sponsoring school or camp. **LEARNING BY DOING IS A PHILOSOPHY OF THIS PROGRAMME.**
