# SUMMER CAMP

AGES 7-16 & ROOKIE CAMP SESSIONS 6 & 7 FOR AGES 6-8

Within the framework of traditional camp activities such as campfires, special all-camp events, games, and beach activities, Celtic offers specialized instruction in the following areas. Campers may select 3 or 4 activities, depending on the length of session attended.

**Sailing:** Taught from our Lake Huron beachfront using CL14 sailboats. Sailors learn wind theory, sail trim and how to skipper a boat. Celtic counsellors accompany sailors to ensure a safe, informative, and fun sailing experience.

**Windsurfing:** Shallow, sand bottom for the beginner and supervised deep water windsurfing for the advanced surfer. Wide boards and junior sized sails make it easy for new surfers to get up and get moving.

**Kayaking:** Celtic's waterfront is well suited to provide a safe environment for the beginner and challenge for the strong paddler. Kayakers learn paddling technique and emergency procedures.

**Canoeing:** Campers are taught paddling technique and the fundamentals of canoe manoeuvring and control along the sandy shore of Lake Huron.

**Out-Tripping:** Campers learn tent assembly, fire building, and trip preparation before heading off camp for an overnight adventure. These skills are further developed on the trip along with teamwork, co-operation, and respect for nature and each other.

**Ropes & Climbing:** Co-operation, communication and trust is the focus as campers participate in climbing the rock walls, traversing the high ropes elements and making their way through the low ropes challenge course at Celtic.

**Archery:** Safe bow fundamentals are taught at Celtic's archery range. Campers enjoy individual and team competitions.

**Wilderness Survival:** Campers learn many useful skills such as orienteering, plant identification, fire and shelter building, and primitive tool making. Campers gain confidence while becoming comfortable in a wilderness setting.

**Planet Earth:** Campers discover the natural beauty of Camp Celtic's forests, lakes and fields while investigating human interactions with the planet. We aim to inspire stewardship via guided nature hikes, wildlife watching, and hands-on lessons in sustainable food production in Celtic's new greenhouse and eco-garden.

**Basketball:** Focus on fundamentals of individual skills and team play. Drills and games are led by experienced coaches and counsellors. Also offered at an advanced level during session 8.

**Tennis:** Celtic instructors teach novice and intermediate players. Campers develop racket skills and offence and defence strategy.

**Soccer:** Campers develop offensive and defensive skills. Unique drills, mini games, and full matches makes soccer at Celtic a fun and instructive experience.

**Volleyball:** A chance for the younger player to start off right. Skills and competition in a great camp atmosphere. Drills and games on turf and beach courts. Also offered at an advanced level during session 8.

**Fine Arts:** Designed to enhance the camper's creativity. Artists receive instruction in sketching, painting, and sculpting using a variety of media.

**Theatre Arts:** The programme is skill-oriented and designed to increase the awareness and confidence of the camper with respect to drama as an expression of self.

**Camp Crafts:** The arts and craft programme includes nature and leather craft, beading, sculpting, and much more.

**Dance:** For dancers of all ages and abilities. Fun dance routines are learned and performed by the Celtic dance class.

**Radio Broadcasting:** "Radio Celtic on the air!" Campers learn the basics of radio by broadcasting music, interviews, camp news and podcasts over the airwaves of Celtic's radio station.

# CELTIC LEADERSHIP TRAINING CAMP

SESSION 2 OR 3, AGE 17

The Celtic Leadership programme allows participants to both study and develop their leadership skills. Two Leadership Directors, chosen from Celtic's most senior staff and alumni, work closely with groups of Leaders in Training (LIT's). Emphasis is placed on group processes, training, coaching skills, and evaluation of self and process. This is very much a participative camp - LIT's will get out of it what they put into it!

LIT's are immersed in traditional camp activities such as camp games, song leading, campfires, talent shows, out-tripping, story telling, and more. Successful LIT's can be expected to show a marked increase in self-confidence during leadership, coaching, and training situations. In addition, they learn of their ability to uniquely contribute to group processes through routinely examining and assessing themselves, others, and the group. Skills, attitude, and knowledge learned here can be applied at school, camp, and in sports environments. Each LIT receives a written evaluation at the close of camp, and in the case of sponsored LIT's, a copy is mailed to the sponsoring school or camp. *"LEARNING BY DOING" is a philosophy of this programme.*

## WHO IS ELIGIBLE FOR THE LEADERSHIP TRAINING CAMP?

Enrollment is limited to high school students who are at least 17 years of age during the year of enrollment.

## APPLICATION PROCEDURE

A completed application, (attached) along with the following received by Celtic.

1. If the LIT is sponsored by a school, camp, or other group, a recommendation form (printable from [www.campceltic.ca](http://www.campceltic.ca)) identifying the candidate as having good leadership potential, must be completed by one of the following people:

- Teacher or Coach in the case of a school
  - Camp Director in the case of a camp
  - By the appropriate adult in the case of a group
2. If the LIT is applying directly to Celtic Leadership Training Camp, a self written letter of application outlining the candidate's interest, achievements, and goals, along with a recommendation form completed by a teacher or coach, must accompany the application.

## ACCEPTANCE

FOR QUALIFIED APPLICANTS,  
ACCEPTANCE WILL BE ON A FIRST-COME,  
FIRST-SERVED BASIS.

## FRENCH RIVER CANOE TRIP

**Ages 14-17, August 9<sup>th</sup> - 18<sup>th</sup>**

Camp Celtic has expanded its out-tripping program to offer a wilderness canoe trip into the interior of French River Provincial Park on the north side of Georgian Bay. This trip is open to campers with all levels of out-tripping experience.

Back country camping skills that include paddling, portaging, fire-building, food planning, tent assembly, orienteering, group dynamics, leadership and the philosophy and practice of environmentally sound, no-trace camping are learned during a preparatory time at Camp Celtic prior to departure.

Along with the development of canoe tripping skills, campers have the opportunity to grow individually in a rugged outdoor setting, making lifelong friendships with other campers as well as qualified and experienced Camp Celtic Counsellors. Out-tripping allows campers to build self-confidence, teamwork abilities, life-skills, and a deep appreciation for themselves, others, and the environment.

*By the end of the session, all participants will be eligible to receive ORCKA Level 1, 2, or 3 Basic Canoeing from Camp Celtic's certified instructor.*

*Limited space available!*

## SPORTS CAMP

**Basketball and Volleyball. Ages 13-18, Session 8**

*You will be a better player!*

By teaching individual skills and team concepts in the focused atmosphere of a residential camp, we ensure that athletes return to their school or club as stronger players.

These are intensive teaching camps with ability-matched groups to enhance individual skill development and team play. Offense, defense, transition, self-motivation and getting the most from your practice time are all aspects taught at Celtic. Plus! League play and special tournaments.

These sports take some time to learn to play to your potential. Celtic will give you the tools to make that happen.

Celtic is a leader in developing top-quality players and is one of the only residential camps in the province sanctioned by the Ontario Volleyball Association.

Top notch coaches from high schools and universities attend Celtic. Athletes that have experienced the Celtic Sports Camp have gone on to compete for major university and college teams in Canada and the USA. Many others are contributing to their school and club teams with a greater understanding and better perspective about their sport.
